GOING BEYOND THE GAME

Eclipse Gaming designs entertaining products that drive deeper player engagement and memorable gaming experiences, while delivering outstanding performance.

We do this with one key goal in mind — to generate powerful results that benefit our partners and directly impact the needs and objectives of their communities. Partner with Eclipse and together, we'll achieve success that goes beyond the game.

Cook up something delicious with Banana Bash Monkey! This three pot style game has sweet surprises in store, including the Go Wild feature where Chef Monkey will throw down additional wild bananas during random spins, plus a mini-hold & respin within the bonus. Will you order your bananas flambeed, as a slice of pie, or with a cherry on top? Indulge in a combination of up to three different desserts at the same time for even bigger wins. Dig in with Banana Bash!

GEARS OF WEALTH™ DELUXE DEPTHS

GAME FEATURES

- Reel Configuration: 3x5
- Paylines: 25-50
- Payback Percentages: 90-96%

Medium-High Volatility

BONUS FEATURES

- **Wheel Bonus**

The Wheel Bonus is triggered when two Gears of Wealth symbols appear on reels 1 and 2 and a wheel symbol appears on reel 3 during the base game. The smaller of the two wheels will spin and award credit prizes, five free spins, or a wheel upgrade, which awards the Big Bonus Wheel, which awards credit prizes, ten free spins, or the Major or Grand progressives..

- **Free Spins**

The Wheel Bonus awards all Free Spins: five spins on the small wheel, and 10 spins on the Big Bonus Wheel, both with the ability to retrigger. Plus, land stacked 2x, 3x and 5x wilds on reels 2, 3, and 4.

- **Pick'em Bonus**

The Pick'em Bonus is triggered with two Gears of Wealth symbols on reels 1 and 2 and a pick'em symbol on reel 3 during the base game. Chooses between three Gear symbols for a credit prize.

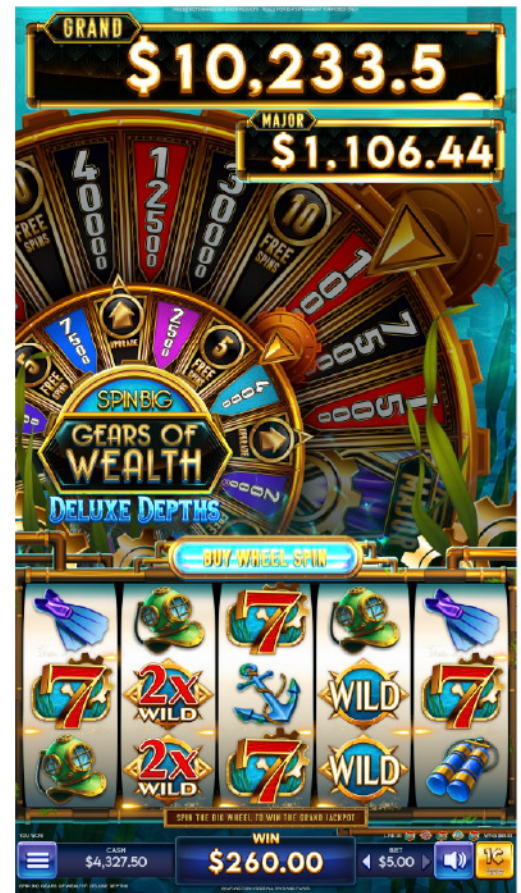

- **Buy-a-Spin Big Wheel Bonus**

Simply touch the Buy a Spin button on the side of the reels and ichoose a wager from \$25-250. The Big Wheel spins with a chance to receive free spins, credits awards, or jackpots. This bet may be made at anytime the player has credits in the game and is not in the middle of a spin or bonus feature.

RAIL PAYS™ DIAMOND DAMSEL

GAME FEATURES

- Reel Configuration: 3x5
- Paylines: 30
- Payback Percentages: 92-94.5%

Medium-High Volatility

BONUS FEATURES

- **Train Wheel**

Land any 2 Train symbols in the base game to trigger a wheel spin for a chance to enter the Rail Pays bonus or win a credit prize. Any train car entering the highlighted area of the winning slice is awarded with up to ten credit prizes.

- **2nd Chance Respin**

The Train Wheel may award a 2nd Chance Respin emblem, granting the player an extra spin on the base game reels for the chance to land more train symbols and enter the Rail Pays bonus.

- **Rail Pays Bonus**

Trigger the Rail Pays bonus by landing 3 or more Train symbols with each unlocking special upgrades. The bonus begins with six spins which move the prize box around the board. Collect the prizes shown in the prize box with remaining prizes cascading down to fill emptied spots. Train symbols used in the trigger award the following:

- Upgrade: Awards the credits shown plus upgrades the prize value of all other Upgrade symbols
- Extra Spins: Transforms all +2 Spin symbols into +3 Spins symbols
- Jackpot: Adds any of the four jackpots to the available prizes
- Row Blast: Awards all prizes in the corresponding row
- Mega Blast: Awards all visible prizes plus unlocks one additional row

ADVENTURES ON THE HIGH SEAS

Blackwater's Bounty

Ahoy, mateys!
Blackwater's thirst for revenge is stronger than ever as he guards his treasure, determined to make Rose and Patches walk the plank! Get ready for swashbuckling action with exciting bonus features, including the Random Credit Feature where Scurvy the Parrot may reward you with extra loot, the Jackpot Pick Bonus where treasure chests brimming with jackpots await you, the Compass Feature where you spin for even more riches, and the explosive Battle Ships shootout where big rewards await. Will you side with Blackwater, defeat Rose and Patches, sink their ship, and claim the treasure as your own?

BLACKWATER'S BOUNTY

GAME FEATURES

- Reel Configuration: 3x5
- Paylines: 25
- Payback Percentages: 90-96%

Medium Volatility

BONUS FEATURES

- **Random Credit Feature**
On any spin, Scurvy the Parrot may come out on the screen and randomly award extra credits to the player.
- **Compass Feature**
A special compass symbol may land on reels 4 and 5. When aligned, the feature triggers. The player gets to spin the compass needle to award credit values.
- **Jackpot Picking Feature**
On any given spin, a doubloon may land on the reels. This doubloon will fly up to the treasure chest on the top screen. The treasure chest grows as more doubloons fly into it. The feature triggers when the chest bursts. The player will then get to choose from a grid of treasure chests. The player will continue picking chests until they match 3 progressive/jackpot icons. The player is awarded this progressive/jackpot.
- **Battle Ships Feature**
A special cannon symbol landing on reels 1 and 5 will trigger this feature. Players will shoot their cannon at their enemy's ship to rack up additional credits as they try to sink their opponent. The battle continues with the opposing ship taking on damage until the player runs out of ammo. Anywhere from three to six cannonballs will be randomly awarded for players to fire.
